

PRODUCT INFORMATION

PRODUCT: LIQUID WRENCH SUPER PENETRANT

PART NO.: L104C, L106C, L112C

FUNCTION AND APPLICATION: A versatile, multi-use penetrant for use by mechanics and do-it-yourselfers for disassembly of corroded pipe joints, rusted bolts and machinery, painted or gummed up metal mechanisms. Also used to clean typewriters, guns, and sports equipment.

OUTSTANDING PROPERTIES: Loosens rust & corrosion almost instantly. Dissolves scale, varnish, carbon gum. Contains no silicone.

USE DIRECTIONS: Spray or squirt product on frozen joint or part. Tap the joint to set up vibrations. If part is stubborn, repeat application and allow to soak into joint for a few minutes.

PRECAUTIONS: Combustible. Harmful or fatal if Swallowed. Eye and skin irritant. Vapor harmful. If swallowed DO NOT INDUCE VOMITING. Do not administer Adrenalin or Epinephrine. Get medical attention immediately. If eye contacted, flush with water for at least 15 minutes. Call a physician. If skin is contacted, wash thoroughly with soap and water. If inhaled, move to fresh air. If breathing is difficult, give oxygen. If breathing has stopped, apply artificial respiration. Call a physician immediately.

STORAGE & HANDLING: Store in a dry, well-ventilated area below 50°C away from ignition sources and oxidizers. CAUTION: FIRE: Use only in a well ventilated area away from heat, sparks and flame. Pilot lights of furnaces or hot water tanks can ignite vapors. Do not use in confined spaces, enclosed garages, basements or low-lying areas where vapors can collect. Explosion or flash fire from vapors may cause serious injury or death. CONTACT: Avoid contact with eyes, skin or clothing. Remove contaminated clothing and wash before reuse. Remove contact lenses before use. Wear chemical goggles and solvent-proof gloves and apron. BREATHING: Do not breathe vapors, gas or mist. Use only in well-ventilated area. Keep away from children and animals.

DISPOSAL: Safeguard our environment. Dispose of container, residue and excess product in accordance with all federal, provincial and local laws and regulations. Emptied containers contain product residue, so follow all warnings even after container is emptied.

PACKAGING: L104C- 114mL squirt can, packed 24 per case.
L106C - 170 g Aerosol can, packed 12 per case.
L112C - 312 g Aerosol can, packed 12 per case.
