

PRODUCT INFORMATION

PRODUCT: STOP SLIP BELT DRESSING

PART NO.: M208C

FUNCTION AND APPLICATION: A spray on belt dressing for V-type and Flat Belts, which improves frictional characteristics of belt surfaces.

OUTSTANDING PROPERTIES: Formulated for safe use on all types of belting material. Reduces belt squealing and slippage. Improves belt-gripping power. Increases power transmission efficiency. Reduces belt wear from slippage. Extends belt life.

USE DIRECTIONS: While the belt is running, spray a small amount of dressing on the belt as it enters the pulley or sheave. Use sparingly for best results.

PRODUCT LIMITATIONS: Overuse can result in excess dirt buildup and transfer to other contacted surfaces.

PRECAUTIONS: View MSDS at www.gunk.ca.

STORAGE & HANDLING: Store in a cool place below 50⁰C away from acids, ignition sources and oxidizing agents. Do not wear contact lenses when using this product. Do not puncture or incinerate containers. Keep away from children and animals.

DISPOSAL: Safeguard our environment. Dispose of container, residue, and excess product in accordance with all federal, provincial and local laws and regulations.

PACKAGING: 170g aerosol can with snorkel tube, packed 12 per case.

U.P.C. CODE: 0-60959-13021-0

WEIGHT PER CASE: 7 lbs. 3.18 kg

CASE SIZE: 9 x 7 x 7
