

PRODUCT INFORMATION

PRODUCT: INJECTOR PLUS

PART NO.: M5212C

FUNCTION AND APPLICATION: A specially formulated high strength cleaner that safely removes injector system deposits on foreign and domestic gasoline and diesel engines. Cleans in only one treatment. Dissolves accumulated deposits, quickly, restoring lost power and improving performance.

OUTSTANDING PROPERTIES: Cleans quickly and economically saving large service bills for mechanical repairs. Will not harm catalytic converters or oxygen sensors.

USE DIRECTIONS: For best results add entire contents of bottle to almost empty tank (up to 57L capacity) and fill with fuel to thoroughly mix cleaner. Do not refuel until tank is almost empty. For extremely dirty fuel systems or clogged injectors, a second treatment may be required. (If problems persist, mechanical overhaul or injector replacement may be required.) Treat system every 10,000KM or as required. Use entire contents at once.

PRECAUTIONS: View MSDS at www.gunk.ca.

STORAGE & HANDLING: Store in a cool place below 50°C away from acids, ignition sources and oxidizing agents. Avoid breathing vapors. Wearing contact lenses while working with this product is inadvisable. Keep away from children and animals.

DISPOSAL: Safeguard our environment. Dispose of container, residue, and excess product in accordance with all federal, provincial and local laws and regulations.

PACKAGING: 350ml plastic bottle with c/r cap.

U.P.C. CODE: 0-60959-13521-5

WEIGHT PER CASE: 9 lbs. 4.09 kg

CASE SIZE: 10 x 7 x 9
